“DREAM TOGETHER” MASTER PROGRAM SCHOLARSHIP

The subject matter refers.

The BNOC wishes to invite applications for the ***Dream Together Master Programme*** (DTMP) offered by the collaboration of Ministry of Culture, Sports and Tourism of the Republic of Korea and the Korea Foundation for the Next Generation Sports Talent (NEST).

The DTMP is a special program that aims to consolidate international sport cooperation through global networking, as well as the provision of an in-depth insight in the area of sport management; serving as a way of preparation for leadership positions in sport.

The two year programme, offered within the Global Sport Management Graduate Program of the Seoul National University, will commence from late August 2020 through June 2022, covering a wide range of topics comprising ten themes, consulting projects, and extra-curricular activities.

Requirements are as follows:

1. Government Officers in the field of sports or current Sport Administrators in Public & Private Sport Organization in Botswana.
2. Must hold a Bachelor Degree or higher (no restriction of majors).
